The Story So Far

After the earthquake, a mysterious young man was found at the uplifted faults called the *Wall Eyes* and taken in by the Higashikata Family, who named him *Josuke*.

While trying to find out his own identity, Josuke learned of the crucial fruits, the *Rokakaka*, which have an equivalent exchange effect, and successfully tracked them down where they were.

Meanwhile, the eldest daughter of the Higashikata family, Hato, brought her boyfriend over. Everyone was baffled by this strange man who called himself Tamaki Damo, but when they realized what was going on they had already been left devastated by Damo's attack...! His true identity was boss of the Rock Humans who were smuggling the Rokakaka, and he had the goal of finding *Josefumi Kujo*, the one who had once stolen a Rokakaka branch.

Damo questioned and tortured Norisuke. Before long it became clear that *Josuke = Josefumi with part of the deceased Kira fused to him!* Learning that, Damo shifted his target to Josuke, but then Hato, having found that she was deceived, started a counterattack. What will be the outcome of this tragic event...?
